## what's new

Last term we had lots of fun, playing with new props and singing and moving. All engaging and interactive to help support the growth of key developmental skills in your little ones. At Music Bugs, we never just sing a song, there's always a reason and benefit behind all the fun we get up to!

### New Classes

We're looking at launching some new classes in Sept so watch this space for more news

### Tommy's Singathon

Please remember that places in each classes are strictly limited and will be offered on a first come-first served basis. Please ensure that your taster session is prebooked before attendance.
