xx

Thank you for being a part of Music Bugs North London!
What a great start we've had to the year, I'm sure we can fill the rest of 2016 with even more Music Bugs fun!

Music Bugs

Share with your child a wonderful 40 minutes of counting songs, finger play rhymes, knee bouncers, action songs, rhythm games and more, using a fantastic variety of percussion instruments, puppets, pom-poms, parachutes, teddies, hobby horses and everyone's favourite... bubbles! All engaging and interactive to help support the growth of key developmental skills in your little ones. At Music Bugs, we never *just* sing a song, there's always a reason and benefit behind all the fun we get up to!

How to Reserve Your Place

We have lots of exciting things in-store for next term and I hope you can join us. Please take a look at the green panel for all the class details then just let me know when and where you would like to attend. The £6.50 per-class fee is payable in advance of each term. This term is 13 weeks long excluding the half term holiday (1st & 2nd June) so the total fee is £84.50.

Payment Methods

Correct cash in a named envelope, or bank transfer to 'Music Bugs', 47332980, 60-07-32.

Special Prices

Our classes are suitable for children from birth to school-age and we offer discounts for siblings, twins and child-minders. Term fee payment can be split by paying one half upfront and presenting a post-dated cheque for the other half.

Good to Know!

We are delighted to announce that we have joined forces with Tommy's the baby charity for our 'Around the World' themed Singathon where we will sing songs from different countries and raise money to support Tommy's important research into the prevention of miscarriage, premature birth and stillbirth.

We will keep you posted with all our plans and activities on our Facebook page. In the meantime, please visit Tommy's <http://www.tommys.org/>
