Health, safety, hygiene

Please note that you are responsible for your child's safety at all times. Please ensure that you are selecting age appropriate instruments for young babies and that your child is using all props safely. We use sterilising wipes between every class to clean off any instruments that have gone into children's mouths (we know it is impossible to stop them wanting to chew things!) so if your child has taste tested any of the props please hand them back to me at the end of the class so they can be cleaned. Please inform me of any spillages that need cleaning up where necessary.

Illness

We ask parents and carers to keep children at home if they are running a temperature or have had sickness or diarrhoea in the last 48 hours to avoid spreading infection. Please notify us of any serious, contagious infections so that we can inform other parents. Unfortunately, we do not offer a refund for missed classes due to illness, although it is possible to attend another class that week if your child is better, so do get in contact if you would like to check availability of places.

Merchandise

We have a range of puppets, instruments, T-shirts and props available to buy please ask your class leader for further information.

Birthday parties

We offer birthday parties and special events for 1- 5 year olds. Please see our party page on the website for further details. Parties do get booked up quickly so please see your class leader if you wish to discuss a special day!
