Music Bugs is all about having fun and exploring music together in a friendly and supportive atmosphere for little ones and their grown-ups alike. We provide gently structured, play-based sessions where children can develop, grow and have fun in a multi-sensory environment.

Our 40-minute classes are full of excitement with a huge variety of props including puppets, parachutes, pom poms, bubbles, scarves, hobby horses and lots of tactile percussion instruments.

We sing nursery rhymes, counting songs, finger-play rhymes, knee bouncers and action songs. Our award-winning sessions have been recommended by health visitors and Early Years specialists and are great for developing confidence, coordination, fine and gross motor skills, early literacy and numeracy skills, speech and language skills, independence and social skills as well as being an introduction to music education for pre-school age children.

### Health, Safety and Hygiene

Please note that you are responsible for your child's safety at all times. Please ensure that you are selecting age-appropriate instruments for young babies and that your child is using all props safely.

We have sterilising sprays to hand and use these between classes and when required. Please do let us know, if something your child has been using requires our attention.

### Illness

We ask parents and carers to keep children at home if they are running a temperature or have had sickness or diarrhoea in the last 48 hours. This is to avoid spreading infection and to help keep other little ones safe who maybe more receptive to illness. Please notify us of any serious, contagious infections so that we can inform other parents.

Unfortunately, due to overheads, we are unable to offer a refund for classes missed due to illness, although it may be possible for you to attend another class later in the same week if your child is better.

### Holiday

Unfortunately, due to overheads, we are unable to offer a refund for classes missed due to holiday, although you are welcome to arrange to send a friend and their child to use your place in your absence. Please contact to arrange this so we can know to expect them.

### Merchandise

We have a range of CDs, puppets, instruments, T-shirts and props available to buy. Please ask your class leader for further information.

### Birthday Parties
